At first, the puzzles were somewhat hard to understand but then you get the hang of it and its not that bad and kind of clever.

(BTW, i played it twice, the first playthrough i gave up finding clues in the hallway, the 2nd time i got it from a youtube walkthrough) I like hard to crack puzzles but lurking around in a hallway for 45min and not finding any clue.. its kind of dissappointing I wouldnt call it a horror game because of 1 and a half semi-jumpscares.. I managed to finish the game but not in a way that i would want to Meaning i had to look up for certain code in a youtube walkthrough, and the guy too said to not ask him where he find it, and i hated that i had to look it up somewhere else.
